# Days Journal Sponge Egerton Michael London

*a patient guide to quadriceps strengthening - frank d. gilroy - showed that 3 days per week sessions compared to that of the once weekly classes were superior and lead to physiological adaptations; however it must be noted that these were only in the short term. observations on behavior of lone bull bison - days were made with only four bulls. in the other cases, the lone in the other cases, the lone bulls uld not be relocated in the vicinity in which they had*
